ITB for Post Stroke Spasticity Management

Thursday December 2, 2010

09:00	**Welcome** Prof. L. Saltuari
09:15	**Spasticity, upper motor neurone syndrome** **Spinal versus supraspinal spasticity** **Oral antispastic medication** Prof. L. Saltuari
10:15	**Treatment of focal spasticity** **EMG- and stimulation-assisted administration of botulinum toxin** Dr. R. Schauer
10:45	**Coffee Break**
11:15	**Indications for ITB treatment** **Bolus versus continuous mode of ITB evaluation** **Video demonstration** Dr. E. Pucks-Faes
11:45	**Catheter implantation and evaluation with external pump system** **Refill procedures of implanted pumps (part I)** Dr. H. Matzak/Dr. E. Pucks-Faes
13:00	**Lunch**
14:00	**Catheter implantation and evaluation with external pump system** **Refill procedures of implanted pumps (part II)** Dr. H. Matzak/Dr. E. Pucks-Faes
15:00	**Surgical pump implantation techniques** Dr. I. Laimer
15:45	**ITB Troubleshooting** Dr. H. Matzak
17:00	**Discussion** Prof. Saltuari/Dr. Schauer/Dr. Kofler/Dr. Matzak/Dr. Pucks-Faes
17:30	**End of Program day 1**
19:30	**Group Dinner**

Friday December 3, 2010

08:00	**Attendance at a pump implantation at the University Hospital of Innsbruck** Dr. I. Laimer
10:00	**Transfer to Hospital of Hochzirl**
11:00	**ITB and Stroke** Prof. L. Saltuari
11:20	**Coffee Break**
11:40	**Therapy and ITB treatment** **ITB evaluation by the physio-, occupational and speech therapist** **Splinting and casting** Mrs. E. Quirbach
13:00	**Lunch**
14:00	**Clinical Evaluation of patients** **Neurophysiological evaluation of patients** Dr. M. Kofler/Dr. H. Matzak
15:00	**The effect of ITB on autonomic functions** Dr. M. Kofler
15:30	**Neurophysiological evaluation of ITB effects** Dr. M. Kofler
16:00	**Discussion** Dr. Schauer /Dr. Kofler/Dr. Matzak/Mrs. Quirbach
17:00	**End of Program**

Venue: Landeskrankenhaus Hochzirl, Zirl-Austria

Course Director: Prof. Leopold Saltuari

Accreditation of European CME credits has been requested to UEMS/EACCME
