Occipital Nerve Stimulation for Intractable Chronic Cluster Headache - A virtual course

A course for Referring physicians - 2 virtual sessions

November 24 & 25, 2021
On-line training

The objective of this training is to create awareness for referral physicians, to better manage patients with intractable chronic cluster headaches with ONS therapy

Agenda Session I
24th November 2021
17:30-19:40 CET (GMT+1)

17:30 **Introduction**
Prof. Ferrari

17:35 **The conundrum of Chronic Cluster Headache**
Prof. May

18:00 **Live Q&A session**
Prof. May answering questions of participants

18:05 **The pathophysiology of Chronic Cluster Headache, why ONS may be effective**
Prof. Goadsby

18:30 **Live Q&A session**
Prof. Goadsby answering questions of participants

18:35 **ONS procedure and pitfalls**
Prof. Huygen

19:00 **Live Q&A session**
Prof. Huygen answering questions of participants

19:05 **Live Interactive patient case presentation**
Dr. Fronczek

19:20 **Live Q&A session & Panel discussion**
Faculty panel

19:35 **Closing remarks**
Prof. Ferrari

19:40 **End of session I**
