Occipital Nerve Stimulation (ONS) for the treatment of Intractable Chronic Cluster Headache (iCCH) - an unmet medical need!

January 14, 2027
On-line training

The objective of this training is to present the steps related to the implant procedure and technique, to better manage patients with intractable chronic cluster headaches with ONS therapy

Thursday, January 14, 2027
17:30-19:30 CET (GMT+1)

17:30 Introduction
Prof. Van Buyten

17:40 The burden of the unmet need
Prof. Lantéri-Minet

17:45 Costs related to iCCH & cost-benefit of ONS
Prof. Lantéri-Minet

18:00 Patient pathway, selection & workup
Prof. Van Buyten

18:20 The implant technique & programming
Prof. Van Buyten

18:30 Managing the patient on the long term
Dr. Gulve

18:50 Clinical case discussions - 2 patient cases
Dr. Smet

19:05 Live panel discussion and Q&A session
All

19:25 Closing remarks
Prof. Van Buyten

19:30 End of session

Course Director
- Prof. Jean-Pierre Van Buyten
  Sint-Niklaas, Belgium
  Pain Management

Faculty
- Dr. Ashish Gulve
  Middlesbrough, United Kingdom
  Pain Management
- Prof. Michel Lantéri-Minet
  Nice, France
  Neurology
- Dr. Iris Smet
  Sint-Niklaas, Belgium
  Pain Management

Accreditation
An application for accreditation has been submitted with RIZIV in Belgium: ID26032614

Target audience
Implanting and referring physicians primarily in the field of:
- Pain management
- Anaesthesiology
- Neurosurgery
- Neurology

Venue
Online training program
