ECMT COVID-19 HEALTH AND SAFETY PROTOCOL

ECMT aims to host safe training events to protect the health of all attendees and staff. We monitor our event location up to the start date of the event to commit to a healthy and hygienic event environment. We adhere to restrictions and other considerations based on the COVID-19 status of the areas that attendees are travelling to. We trust that when participating in our event, you declare to be in good health and that you have a sanitary pass stating that:

1. You have been vaccinated and received the 2nd vaccine >14 days before travel date or
2. You have recovered from Covid-19 in the past 6 months or
3. You have a negative antigen test <24h or PCR test <48hr when you arrive

As the situation around the COVID-19 virus is evolving, we will continue to refine and update this protocol following country and hospital requirements. Events may be postponed at any time. For further information around the actual situation in The Netherlands, please visit https://www.government.nl

General

- Please stay home/in your hotel room if you feel sick and separate from the group at any time
- Please avoid physical contact and do not shake hands
- Please cough and sneeze in your elbow, use paper tissues for single use
- Kind request to frequently wash your hands

First contact

- Please respect social distancing at any time (1,5 m) and introduce yourself with your name
- Face masks are not mandatory in the Netherlands, only in public transportation. They will be available however if you wish to wear one, please ask our Coordinator on-site

Access to ECMT training

- Hand sanitizers will be available upon your entrance to the meeting rooms
- Please follow the signage in the hotel with respect to walking direction, paths, markings, ribbons, use of toilets, etc.
- Seating and routing in the meeting rooms will be adjusted in compliance with local social distancing rules
- We will ventilate the meeting rooms during breaks
- Where possible, the use of stairs is preferred. In case you will use an elevator, please always respect the indicated maximum number of persons

Food & beverage

- Hotel will follow precaution measures as indicated by the local government
- We will prevent crowding during breaks at any time
- Pre-packed meal bags or boxes and disposable cutlery will be provided during coffee and lunch breaks
- Group dinner will be organized respecting the country's regulations on maximum group size and in accordance with local social distancing rules and measures

Health emergency during an event

In case you develop symptoms during the event, please immediately inform our Coordinator on-site
